

Sustainable Sanctuary Coalition

encouraging sustainability in faith communities

MATCHING GRANT OPPORTUNITY! Triple your donation!

Sustainable Sanctuary Coalition is the only group dedicated exclusively to promoting environmental stewardship and collaboration among faith groups in the greater Kansas City area. It partners with and assists faith groups to preach, teach, model, and advocate for sustainable living and ecological justice for all creation.

People of faith represent a large group of people in the metro area, and getting them more committed to caring for the environment can make a huge difference for the wellbeing of the Earth.

You can be a part of this vital mission! The Shumaker Family Foundation will match 2:1 (up to \$25,000) all contributions to the Sustainable Sanctuary Coalition now through December 10, 2010. Your \$100 tax-exempt contribution nets \$300 for SSC; your \$50 gift, \$150 for SSC! Giving whatever you can will enable Sustainable Sanctuary to do the following in 2011:

- Present 4-6 *Awakening the Dreamer* symposiums on sustainability, social justice, and spirituality
- Provide 2-4 Green Team trainings for a wide range of congregations
- Hold monthly meetings to share ideas and resources
- Offer individualized consultation to churches, synagogues, and other faith communities
- Educate and share resources through the web site and email communications
- Engage congregational members in advocacy on critical environmental issues

Testimonials from local faith groups

Sustainable Sanctuary Coalition prompted our church to become more environmentally responsible. A Green Mission Team was formed to educate church members about climate change, energy and water usage, recycling, reusing and reducing consumption at church and at home. **Janice Grant, Countryside Christian Church**

*I really don't believe that CCUMC would have committed to our green movement before the **Sustainable Sanctuary Coalition** gave us the spiritual and idea tools.* **Rev. Carole Mehl, Country Club United Methodist Church**

Mail form below to: **Sustainable Sanctuary, PO Box 732, Mission, KS 66201**
To donate on the web site: **www.sustainablesanctuary.org**

Count Me In for Faith-Based Earth Care!
